Burntbroom Residents Association

Love where you live.....

March 2021

Green Fees Now Due

Green fees are now due for 2021/2022. We confirmed in our December newsletter that the annual fees for the gardener will remain the same for the forthcoming year. However in light of the waiver of fees for 2020 it has been necessary to increase our green fees for 2021/2022 in order to replenish the cash reserve required for emerging works such as tree management. The committee have agreed a nominal increase to **£90**.

Faster Payments

We are requesting that all residents use the **Faster Payment** option via their internet banking this year. This will not only be quicker and easier for residents, but will remove cash handling and make it easier for the treasurer to confirm payments from all residents. Invoice and payment details are available overleaf.

Green Fees should be paid no later than **Friday 30th April 2021**.

What if I don't have access to Internet Banking?

For residents who do not have access to internet banking, payments can be made easily at your own bank, or any Bank of Scotland - just take the invoice overleaf along with you to the bank.

What happens with your Green Fees?

The Association is responsible for maintaining the common green areas of the estate. The green fees that we each pay annually are primarily used to appoint an estate gardener. The gardener works throughout the year, cutting grass during the spring and summer months, clearing leaves in the autumn and winter and maintaining shrub beds and brushing paths throughout the year. Other contractors, such as tree surgeons are appointed as necessary.

In this edition of the newsletter, we wanted to take the opportunity to highlight how we can all play our part in keeping Burntbroom beautiful - we all need to live here after all! Please see overleaf.

AGM

The AGM is your opportunity to get involved, share your views and perhaps meet new people. The AGM has been scheduled for **Wed 5th May 2021 at 19:00**.

In light of current circumstances, this will be a virtual AGM. Joining details as follows:

ZOOM Meeting

Meeting ID:878 9389 3692

How to join a ZOOM Meeting

- Download the Zoom Mobile App from the App Store
- Tap Join a Meeting
- Enter the meeting ID number (above) and your display name.

If anyone is wishing to attend the AGM but would like further support with ZOOM, please get in touch via the association email ahead of the AGM, we'll be happy to help!

We can all play a part in keeping our estate beautiful – here's how you can help!

Love Where You Live

You may have noticed, litter on our streets, common and bordering areas has increased over recent months. Not only can this make our estate look unattended, but may encourage further littering and perhaps even vermin. We can all play our part in maintaining the estate and reducing the risk of vermin. Remember, your bins should be not overflowing when you leave them out for the bin lorry, lift litter if you see it on our streets or common areas and place it in the nearest bin and please check and clear any litter which may have accumulated around your house over the winter months.

Dump Dumpers

We have experienced an increasing amount of fly tipping, both on and surrounding our estate. Fly-tipping is waste that is disposed of illegally and irresponsibly and can include anything from a single black bag of household or garden waste to large volumes of tyres or construction waste. If you are

undertaking any home or garden works, please ensure you dispose of your waste, or use a reputable contractor who will dispose of your waste in an appropriate way.

If you witness fly tipping on or around our estate, we encourage you to report it to Dumb Dumpers or via the Glasgow City Council App.

No such thing as a dog poo fairy...

Whatever some people may believe, there's no such thing as the dog poo fairy. Dog fouling – whether loose or bagged – is offensive, disgusting and a potential health hazard. Bag it and bin it and if you see someone not cleaning up after their dog, report it - you can do this via the Glasgow City Council App

Considerate Parking

With many households now multiple car households, many of us are needing to park on the street. Please be considerate of your neighbours, other road users and pedestrians when parking your cars, particularly ensuring space for emergency vehicles to pass.

Twenty's Plenty

With us all spending much more time outdoors in our local areas and nicer weather on the way....

Please be mindful of your speed whilst driving through the estate -Twenty's Plenty!

Glasgow City Council App

The Glasgow City Council App is a must have for all Glasgow residents—simply download the Glasgow City Council mobile app from the App Store and complete registration for online access to a wide array of council services. This includes requests for bulk uplifts, reporting fly tipping or dog fouling as well as broken street lights and pot holes—you'll even find the rubbish collection calendar...if you forget when purple bin day is!

We look forward to seeing you (virtually) at the AGM on the 5th May at 19.00
